

SWIM-A-THON PRIZE OPTIONS

For the Powell River Aquatic Club Swim-a-thon the swimmers will swim for an hour continuously during their usual practice time and the parent volunteers present will count the number of laps that the swimmer accomplishes within their one hour practice time slot. The goal is to do as many laps as you can in the given hour. For motivation we ask the swimmers to fundraise money that will go towards the club, and the money amount that the swimmer raises makes them eligible for certain prizes. You can be pledged per lap or in total. The potential prizes are listed below:
